FEBRUARY 2020 – APRIL 2022

# SEVEN SEAS SPLENDOR™

**A WORK OF ART, FROM BOW TO STERN**

## LUXURY PERFECTED

There's something magical about watching an artist work. Witnessing someone's vision come to life as their loose brush strokes and splashes of colour begin to take form, bringing light to the void of a blank canvas, is often as inspiring as the final work itself.

This has been equally true in perfecting the design and construction of *Seven Seas Splendor™*. Delivering a ship at this level of excellence requires an attention to detail that resembles the masterful touch of an expertly placed brush stroke. The lavish finishes, the specially commissioned, one-of-a-kind artwork and the intricate inlays and embellishments are only a few of the final elements needed to complete the picture. A ship this luxurious requires more than an acre of marble and delivers private balconies that are the most elegant and among the most spacious at sea.

Find magnificence and precision at every turn, from the entrance of your luxurious suite to a dining experience overlooking the day's destination. Her beauty and elegance is emphatically punctuated by the extraordinary crew who pride themselves in delivering... *An Unrivalled Experience™*.

We can't wait for you to experience our latest masterpiece — a perfection in luxury.

Welcome to *Seven Seas Splendor™*.
